**ARTICLE III – COVENANTS, CONDITIONS, AND RESTRICTIONS**

The Property is submitted subject to the following protective easements, covenants, conditions, and restrictions.

3.01 Description of Improvements. The improvements included in this Subdivision are now (or will be) located on the Property described in Exhibit "A" to this Declaration.

3.02 Description of Legal Status of Lots. All Lots are residential Lots. All Lots must be capable of being independently owned, encumbered, and conveyed.

3.03 Contents of Exhibit "C". Exhibit "C" to this Declaration sets forth the Lot Number, dimensions, and square footage of each Lot.

3.04 Use and Maintenance of Common Areas. The Common Areas of the Subdivision are described and identified in Section 2.04 of this Declaration and the Plat. Neither the Percentage Interest nor the right of use of Common Areas may be separated from the Lot to

which it appertains; and even though not specifically mentioned in the instrument of transfer, the Percentage Interest and such right of use will automatically accompany any transfer of the Lot to which they relate.

(a) The use of the Common Areas is limited to Owners in residence and to their tenants in residence, and to Owners' guests, invitees and licensees. The use of the Common Areas will be governed by this Declaration and the Rules and Regulations as initially established by the Declarant and as adopted and amended from time to time by the Board of Trustees.

(b) The Association will be responsible for maintaining all common areas, including but not limited to cutting grass, trimming shrubs, watering landscaped areas, maintaining park areas, maintaining trails and walkways in Common Areas, maintaining facilities in Common Areas and the like.

Ent 928070 Bk 1430 Pg 793

3.05 Computation of Percentage Interests. Each Lot in the Subdivision includes an undivided interest in the Common Areas. Each Lot Owner owns an equal, proportionate share of the Common Areas. The proportionate ownership in the Common Areas will be for all purposes, including, but not limited to, participation in Common Profits, and assessments for Common Expenses.

3.06 Association Membership. Membership in the Association is mandatory, is appurtenant to the Lot in which the Owner has the necessary interest, and may not be separated from the Lot to which it appertains. The purposes, business and affairs of the Association will be governed by the Board of Trustees as agent of the Association.

3.07 Easement of Encroachment. If any part of the Common Areas encroaches or hereafter encroaches upon a Lot or Lots, an easement for such encroachment and for the maintenance of the same will exist. If any part of Lot encroaches or hereafter encroaches upon the Common Areas, or upon an adjoining Lot or Lots, an easement for such encroachments and for maintenance will exist. Such encroachments will not be considered to be encumbrances either to the Common Areas or the Lots. Encroachments referred to in this section include, but are not limited to, encroachments caused by error in the original construction of facilities in the Common Areas, by error in the Plat, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of the Subdivision or any part of the Subdivision.

3.08 Access for Repair of Common Areas. The Owners of the other Lots have the irrevocable right to be exercised by the Board of Trustees, as their agent, to have access to each Lot adjacent to Common Areas in those limited instances where the only feasible access to a Common Area is through a Lot for the maintenance, repair or replacement of any of the Common Areas located therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Area or to another Lot or Lots. However, the Association will be responsible for paying for any damage caused to a Lot or property thereon because the Lot was used to access a Common Area.

3.09 Easement to Board of Trustees. The Board of Trustees has non-exclusive easements to make such use of the Common Areas as may be necessary or appropriate to perform the duties and functions that it is obligated or permitted to perform under this Declaration.

3.10 Easement for Utility Services. There is hereby created a blanket easement upon, across, over, and under the property in the Subdivision for ingress, egress, installation, replacing, repairing, and maintaining all utilities, including but not limited to water, sewer, gas, telephones, electricity, and other utility services. This blanket easement extends to the City of Nibley for the purpose of reading culinary water meters and maintaining the water lines located within the Subdivision.

Ent 928070 Bk 1430 Pg 794

3.11 Easement for Use of Common Areas. Each Lot Owner and each person lawfully residing in any Lot in the Subdivision is hereby granted a non-exclusive right and easement of enjoyment in common with others of the Common Areas of the Subdivision. The right and easement of enjoyment created hereby are subject to the following:

(i) The right of the Declarant, before termination of the period of Declarant's control, to grant and reserve easements and rights-of-way through, under, over and across the Common Areas for the installation, maintenance, and inspection of the lines and appurtenances for public or private water, sewer, drainage, gas, electricity, telephone, cable, and other utilities; and

(ii) The right of the Board of Trustees to adopt Rules and Regulations governing the use by the Owners of the Common Areas.

(a) Any person having the right to use and enjoy the Common Areas may delegate such right to the members of his or her family, tenants who reside in the Subdivision and to such other persons as may be permitted by the Board of Trustees.

(b) Each person having the right to use the Common Areas and each person to whom such right has been delegated must comply with the Rules and Regulations regarding such use, as such Rules and Regulations may be established and amended from time to time by the Board of Trustees. Such rights of use may be suspended upon failure of a Lot Owner to pay the Owner's assessment; however, such suspension may only occur following notice and an opportunity for a hearing pursuant to the notice and hearing procedures set forth in Section 3.12.

3.12 Hearings. Before the Association, or the Board of Trustees on behalf of the Association, may take adverse action against an Owner or Owner's tenant for failure to pay assessments, damage caused to Common Areas, violations of Rules and Regulations, or similar matters, the Board of Trustees must provide the affected Owner or Owner's tenant an opportunity for a hearing in accordance with the procedures set forth in this Section 3.12.

(a) Notice of Hearing. The Board of Trustees must cause to be mailed, by certified mail, a Notice of Hearing, signed by a majority of the Board of Trustees and addressed to the Owner at Owner's last mailing address as it then appears on the records of the Board of Trustees. The Notice of Hearing must include the following:

(i) Description of Relief Sought. A brief description of the relief sought by the Board of Trustees on behalf of the Association (e.g., payment of assessments in arrears, compensation for damages allegedly caused by the Owner's negligence) in sufficient detail so as to give the Owner adequate notice of the charges against him or her;

(ii) Time, date; and place of hearing. The Notice must include the time, date and place of the hearing. The Hearing must be held on a weekday, unless waived in writing by the Owner and Board of Trustees, and may not be set any sooner than thirty (30) days from the date the Notice is mailed to the Owner. The matter must be heard in the evening, between the hours of 5:00 p.m. and 8:00 p.m., or as agreed upon by the Board of Trustees and the Owner. The Hearing may be held in any convenient location within Cache County; and

(iii) Objection to Time or Date. The Notice must inform the Owner that the Owner may object to the time and/or date of the Hearing upon a showing of a reasonable conflict. The objection must be mailed, postage prepaid, to the Board of Trustees fifteen (15) days before the date of the Hearing. The objection must also include at least three (3) dates (including times), subject to the limitations of subparagraph (ii) above, upon which Owner can attend a Hearing.

Est 928070 Bk 1430 Pg 795

(b) Alternative Dates. The Board of Trustees may accept one of the Owner's suggested dates, which it must then confirm in writing, by certified mail, or set a new date under the procedures of subparagraph (ii) above. If the Owner has a reasonable conflict with the new date set by the Board of Trustees, the Owner may again object to either the time or date as allowed in subparagraph (iii) above. The procedures of subparagraphs (ii) and (iii) must be followed until a time, date and place are selected convenient to the Board of Trustees and Owner.

(c) Representation by Counsel. The Owner is entitled to representation by counsel at the Hearing with the Board of Trustees. If the Owner chooses to be represented by counsel, the Owner must first notify the Board of Trustees, in writing, fifteen (15) days before the date of the Hearing in order to give the Board of Trustees the opportunity to select its own counsel to represent it at the Hearing.

(d) Hearing. At the Hearing, Owner must be given a reasonable opportunity to efficiently and succinctly present his evidence.

(e) Decision. The Board of Trustees must render its written decision within thirty (30) days following the date of the Hearing. The written decision must be mailed to the Owner at the Owner's last known address and will be deemed a final decision in all respects.

(f) Appeal of Decision. The decision of the Board of Trustees may only be appealed to the District Court in and for Cache County, Utah, within thirty (30) days following the Owner's receipt of the Board of Trustees's written decision. The prevailing party on appeal will be entitled to receive from the non-prevailing party all reasonable attorneys' fees and other costs incurred in the appeal.

(g) Collection. Amounts owing by the Owner pursuant to the decision of the Board of Trustees may be collected by way of assessment against the Owner's Lot or by any other means allowed by the Act.

3.13 Lot Maintenance. Each Lot Owner must maintain, at his or her own expense, the Owner's Lot (including the planting strip between the sidewalk and street) so as not to detract from the appearance of the Subdivision and so as not to adversely affect the value of any other Lot.

(a) Structures. Each Lot Owner must keep all structures on the Lot and related equipment and appurtenances in good order, condition and repair and in a clean and sanitary condition, and must do all redecorating, painting, varnishing, landscaping and landscape maintenance that may be necessary to maintain the good appearance of the Lot.

(b) Damage or Destruction of Structure. If any structure on a Lot is damaged or destroyed, the Lot Owner must either rebuild the same within a reasonable time or raze the remains of such structure so as to prevent the unsightly appearance and dangerous condition of a partially destroyed structure in the Subdivision. The painting or repainting, remodeling, rebuilding or modification of any exterior portion of a structure must first be submitted to and approved by the Architectural Review Committee under its procedures. No Lot Owner may openly or wantonly neglect or fail to do everything possible to keep the Owner's Lot and all structures on the Lot in good and attractive condition and repair at all times.

Ent 928070 Bk 1430 Pg 796

3.14 General Restrictions on Use of Lots and Common Areas. Each of the Lots in the Subdivision is intended for use as single family residential housing and is restricted to such use. The term "residential" excludes individual room letting or boarding and commercial and professional uses which are not the subject of a permit granted by the City of Nibley under its then current home occupation ordinance.

(a) Common Areas. There may be no obstructions of the Common Areas by the Owners, their tenants, guests or invitees without the prior written consent of the Board of Trustees. The Board of Trustees may, by Rules and Regulations, prohibit or limit the use of the Common Areas as may be reasonably necessary for protecting the interests of all the Owners or protecting Lots or Common Areas. Nothing may be kept or stored in any part of the Common Areas without the prior written consent of the Board of Trustees, except as specifically provided in this Declaration. Nothing may be altered, constructed in or removed from the Common Areas except with the prior written consent of the Board of Trustees.

(b) Dangerous and Illegal Activities and Nuisances Prohibited. Nothing may be done or kept in any Lot or in the Common Areas that would result in the cancellation of insurance on the Subdivision or any Lot or result in an increase in the rate of insurance on the Subdivision or any Lot over what the Board of Trustees, but for such activity, would pay without the prior written consent of the Board of Trustees. Nothing may be done or kept in any Lot or in the Common Areas that would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to or waste of the Common Areas may be committed by any Owner or any invitee of any Owner, and each Owner must indemnify and hold the Board of Trustees and the other Owners harmless against all loss resulting from any such damage or waste caused by the Owner, the Owner's family or the Owner's invitees; provided, however, that any invitee of the Declarant may not, under any circumstances, be deemed to be an invitee of any other Owner. No noxious, destructive or offensive activity may be carried on in any Lot or in the Common Areas, nor may anything be done therein which is or may become an annoyance or nuisance to any other Owner or to any person at any time lawfully residing in the Subdivision.

(c) Rules and Regulations. No Owner, Owner's family member, tenant, employee, invitee or other person on the Property may violate the Rules and Regulations for the use of the Lots and of the Common Areas as adopted from time to time by the Board of Trustees.

(d) No Subdivision of Lots. No Owner, by deed, plat or otherwise, may subdivide or in any manner cause the Ownership of a Lot to be separated into physical tracts or parcels smaller than the whole Lot as shown on the Plat.

3.15 Restrictions on Houses and Other Structures.

(a) Minimum Requirements. All houses and other structures in the Subdivision must meet the following minimum requirements:

(i) Single-family Dwellings. Only single-family dwellings and appropriate accessory/outbuildings, as allowed by Nibley City Code and approved by the Architectural Review Committee, may be constructed on Lots in the Subdivision.

(ii) Basements Prohibited. Houses must be constructed on grade without basements (because of the high water table under the Subdivision).

Ent 928070 Bk 1430 Pg 797

(iii) Minimum Size. Single-level houses must have a minimum heated living space of **eighteen hundred square feet**, exclusive of attic space, storage lofts, porches and garages. Split-level or two-story houses must have a minimum ground-level heated living space of **sixteen hundred square feet**, exclusive of attic space, storage lofts, porches and garages.

(iv) Siding. Houses and other structures must be clad in siding of brick, stone, stucco, cement board or similar materials; no vinyl siding is permitted.

(v) Non-reflective Materials. All exterior materials, with the exception of windows, must reduce reflection as much as reasonably possible. Reflective surfaces (excluding windows) must be treated to minimize the reflectiveness of the material. Aluminum window frames must be anodized or acrylic-coated to create a non-reflective finish.

(vi) Exterior Colors. Exterior colors of houses and other structures on a Lot must blend with each other as well as blend with other structures in the Subdivision and the natural landscape. To that end, houses and other structures must be painted in earth-tone colors that must be approved by the Architectural Review Committee in writing before painting or repainting begins. Rain gutters and down spouts must be painted to match the color of the surface from which they project or they must be painted in a color approved by the Architectural Review Committee in writing before installation or painting begins.

(vii) Roofs. All roofs must be of gable or hip construction with a minimum pitch of 4-12 . Roofs may not be covered with corrugated or unfinished metal; metal roofs are appropriate if they are architectural quality and approved in advance by the Architectural Review Committee. Roof overhangs must be at least 12 (12) inches on all sides.

(viii) Garages. Each house must have an attached two-car garage with a paved driveway running from the street to the garage. Garages may not be converted into additional living space.

(ix) Manufactured/Mobile Homes. No pre-manufactured houses or mobile homes are permitted in the Subdivision.

(x) Exterior Heating/AC Units. Exterior heating, cooling, and air conditioning units must be located on the side or rear of houses.

(x) Mailboxes. Mailboxes must be located in gang mailboxes in locations approved by the Postmaster.

(xi) Exterior Lighting. To maintain uniformity in exterior lighting, each house must have a post-mounted lamp of a brand and color to be approved by the Architectural Review Committee erected in the front yard in a location approved in advance by the Architectural Review Committee.

(b) Approval of Plans and Specifications. Complete plans and specifications for all houses and outbuildings must be submitted to, and approved by, the Architectural Review Committee before any construction or installation may begin on a Lot.

(c) Completion of Construction. Construction of a house or other structure must be completed within twelve (12) months of issuance of a construction permit by Nibley City for the house or structure. Completion of a house is determined by issuance of a certificate of occupancy by Nibley City.

(d) Alterations to Structure. No exterior alterations to any structure may be made by the Owner without the prior written consent of the Architectural Review Committee.

3.16 Restrictions on Lots.

Err 928070 Bk 1430 Pg 798

(a) Completion of Landscaping. Landscaping of the entire Lot must be completed within 18 months of occupancy of the house on the Lot.

(b) Drainage. Lots must be landscaped to prevent surface water from flowing or otherwise draining onto adjoining Lots.

(c) Planting Strip Trees. All trees in the planting strip between the curb and the sidewalk must be of the same species and cultivar, as determined by the Architectural Review Committee. Each Lot must maintain the same number of trees in the planting strip as provided in the Master Landscape Plan for the Subdivision. Replacement trees in the planting strip must have a minimum diameter of one and one-half inches (1 1/2") by caliper at planting. Each Lot Owner must replace, at his or her own expense, any tree in the planting strip that dies or is severely damaged.

(d) Fences. Fences are not required on Lots. Privacy fences are restricted to the side yard and backyard of a Lot. Privacy fences must be made of vinyl, chain link, or approved similar material (wood fences are not permitted), and the top of the fence must not exceed five feet (5') above ground level. For the purposes of this Section, the side yard and backyard of a Lot are that portion of the Lot beginning at the front corner on each side of the house and extending laterally to the boundary line for that side of the Lot and then extending along the side boundary line to the rear boundary line and across the rear boundary line. No fence may be installed around any part of a Lot until plans for same have been submitted to and approved by the Architectural Review Committee as provided in Article IV of this Declaration. Any fence erected or installed on a Lot must comply with City of Nibley ordinances and codes.

(e) Antennas. Private outside television or radio aerials or antennas, or other similar devices for reception or transmission may not extend more than ten (10) feet above the highest part of the roof of the house on the Lot.

(f) Trash and Waste. Rubbish, debris, green waste, or other waste products may not be stored or allowed to accumulate on Lots. Rubbish, debris, green waste, or other waste products must be stored in municipally approved waste containers and emptied according to the municipal garbage/recycling collection schedule(s). However, compost piles are acceptable

provided that they are maintained with a moisture content that will not create a fire hazard or an offensive odor. Composted material may consist of vegetation waste from the Lot and vegetable kitchen wastes generated by the residents of the Lot. No meat or animal by-products may be composted.

(g) Repair and Storage of Personal Property. Lot residents' personal property that is under repair must be stored in the garage or otherwise out of visible sight of neighbors.

(h) Excavation. No excavation for stone, gravel, or earth is allowed on a Lot unless such excavation is for the purpose of erecting a house or other structure or landscaping.

(i) Signs. No signs may be displayed on a Lot except for one "For Sale" or "For Lease" sign not exceeding two feet by three feet in size, when such sign is necessary for the purpose of advertising such sale or lease. Illuminated signs are not permitted anywhere in the Subdivision.

(j) Pets. Only domesticated household pets may be kept in the Subdivision. Livestock, poultry or other farm animals are not permitted in the Subdivision. Pets may not run free in the Subdivision. Owners are responsible for keeping pets in a secured area or under control at all times. Owners must keep pets on a leash at all times when in the park or other common areas. Owners are responsible for cleaning up after their pets in all parts of the Subdivision. Owners or Owner's tenants in the Subdivision must indemnify the Association and hold it harmless against any loss or liability of any kind or character whatsoever arising from having any pet in the Subdivision.

Ent 928070 Bk 1430 Pg 799

3.17 Restrictions on Leases. Any lease of a Lot must be in writing and must provide that the terms of the lease are subject in all respects to provisions of the Declaration and Bylaws and that any failure by the lessee to comply with the terms of such documents will be a default under the lease. No Lot Owner may lease a Lot for an initial term of less than thirty (30) days. No Lot Owner may lease less than the entire Lot.

(a) No Owner may lease a Lot without first obtaining the written approval of the Board of Trustees. Such approval may not be unreasonably withheld. In addition, a lease of a Lot in the Subdivision must expressly give the Association standing as a third-party beneficiary of the lease to enforce the terms of the lease agreement, including the provisions of this Declaration and the Bylaws. Upon request of the Board of Trustees, an Owner who is leasing a Lot or proposing to lease a Lot must provide a copy of the written lease agreement to the Board of Trustees.

(b) For purposes of this Section, rent and lease have the same meaning.

3.18 Status and General Authority of Board of Trustees. Notwithstanding anything to the contrary in this Declaration, Stonebridge Subdivision will be managed, operated, and maintained by the Board of Trustees exclusively as agent of the Association, and any act performed by the Board of Trustees under this Declaration or the Bylaws will be deemed to be performed by the Board of Trustees for and on behalf of the Association as its agent. The Board of Trustees has the following authority and powers:

(i) The authority, without the vote or consent of the Lot Owners, to transfer and convey utility and similar easements over, under, across, and through the Common Areas.

(ii) The authority to execute and record, on behalf of all Lot Owners, any amendment to the Declaration or Plat that has been approved by the consent necessary to authorize such amendment.

(iii) The power to sue and be sued.

(iv) The authority to enter into contracts that in any way concern the Subdivision, so long as any vote or consent of the Lot Owners necessitated by the subject matter of the agreement has been obtained.

(v) The power and authority to convey or transfer any interest in real property authorized by the Lot Owners having an interest therein.

(vi) The power and authority to purchase, otherwise acquire, and accept title to any interest in real property, so long as such action has been authorized by any vote or consent that is necessary under the circumstances.

(vii) The authority to license persons not otherwise entitled to use any of the recreational areas and facilities, to use the same from time to time as the Board of Trustees deems appropriate upon the payment of fees prescribed by it to help defray the cost of maintenance thereof.

(viii) The power and authority to borrow money, provided no indebtedness for borrowed funds shall may at any given time the sum of Five Thousand Dollars (\$5,000.00) without the prior approval of the Majority of Owners.

Ent 928070 Bk 1430 Pg 800

(ix) The authority to promulgate such reasonable Rules and Regulations, and procedures as may be necessary or desirable to aid the Board of Trustees in fulfilling any of its functions or to insure that the Subdivision is maintained and used in a manner consistent with the interests of the Lot Owners.

(x) The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Board of Trustees to perform its functions as agent for the Association.

(xi) The power and authority to levy fines of \$250 or less, as determined by the Board of Trustees by majority vote, against Lot Owners for intentional or repeated violations of this Declaration or the Rules and Regulations of the Subdivision. However, before such fines may be levied, Owners must be provided with notice and a right to a hearing as provided in Section 3.12.

Any instrument executed by the Board of Trustees that recites facts which, if true, would establish the Board of Trustees's power and authority to accomplish through such instrument what is purported to be accomplished thereby, will conclusively establish such power and authority in favor of any person who in good faith and for value relies upon the instrument.

3.19 Composition and Initial Selection of Board of Trustees. Until the election of the Board of Trustees by the Lot Owners takes place as provided in Section 3.22 of this Declaration, the Board of Trustees will consist of such persons as have been designated by the Declarant. From and after the first annual meeting of the Association, the Board of Trustees will be composed of no less than three nor more than seven persons, all of whom will be officers, directors, or designees of the Declarant, Owners or spouses of Owners, or Mortgagees (or

designees of Mortgagees) of Lots. The Declarant has the right in its sole discretion to replace such members of the Board of Trustees as may be so selected and designated by it, and to select and designate their successors. In all other cases of vacancy, the remaining Board of Trustees members may select a replacement to sit on the Board of Trustees until the expiration date of the term for which the member being replaced was elected. Declarant may, by a written instrument duly recorded, waive its right to select the members of the Board of Trustees at any time prior to the termination of its right to select Board of Trustees members reserved under this Section 3.23.

3.20 Managing Agent. The Board of Trustees may carry out any of its functions that are capable of delegation through a Managing Agent for the Subdivision. Any Managing Agent retained for such purpose must be an individual or entity experienced and qualified in the field of property management. The Managing Agent so engaged will be responsible for managing the Subdivision for the benefit of the Lot Owners and will, to the extent permitted by law and the terms of the agreement with the Board of Trustees, be authorized to perform any of the functions or acts required or permitted to be performed by the Board of Trustees itself. Any Management Agreement must be terminable for cause upon thirty (30) days notice and run for a reasonable period from one (1) to three (3) years (unless negotiated by the Declarant in which case the Management Agreement may not exceed two (2) years), and be renewable by consent of the Association and the Board of Trustees.

Ent 928070 Bk 1430 Pg 801

3.21 Owners' Agreement to Pay Assessments. Each Owner of a Lot by the acceptance of a deed for such Lot, whether or not it be expressed in the deed, or by entering into a sale or purchase contract, will be deemed to covenant and agree with each other and with the Board of Trustees to pay annual and special assessments made by the Board of Trustees for the purposes provided in this Declaration. Such assessments will be fixed, established, and collected from time to time in the manner provided below and in accordance with the Act.

(a) Amount of Total Annual Assessments: The total annual assessments against all Lots will be based upon the Board of Trustees's advance estimates of the Association's cash requirements to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, which estimates may include, among other things: expenses of management; grounds maintenance; taxes and special assessments (until the Lots are separately assessed as provided herein); premiums for all insurance which the Board of Trustees is required or permitted to maintain; common lighting; water charges; trash collection; repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a regular basis; wages for Board of Trustees employees; Managing Agent fees; legal and accounting fees; any deficit remaining from a previous period; the maintenance of a reasonable reserve fund; and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owner under this Declaration.

(b) Apportionment of Assessments: Expenses attributed to the Common Areas and to the Subdivision as a whole must be apportioned among all the Lots equally. Both annual and special assessments must be fixed at a uniform rate for all Lots.

(c) Notice of Annual Assessments and Time for Payment Thereof: Annual assessments will be made on a calendar year basis. The Board of Trustees must give written notice to each Owner as to the amount of the annual assessment with respect to the Owner's Lot

not less than thirty (30) days nor more than ninety (90) days before the beginning of the next calendar year. Such assessments will be due and payable in a single installment within thirty (30) days after written notice of the amount of the assessment has been given to the respective Owner of a Lot. Each assessment will bear interest at the rate of twelve percent (12%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date. Failure of the Board of Trustees to give timely notice of any assessment as provided in this Declaration will not affect the liability of the Owner of a Lot for such assessment, but the date when payment becomes due in such case will be deferred to a date thirty (30) days after such notice has been given.

Ent 928070 Ek 1430 Pg 802

(d) Special Assessments for Capital Improvements: In addition to the annual assessments authorized above, the Board of Trustees may, in any assessment year, levy a special assessment, payable over such a period as the Board of Trustees may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Common Areas of the Subdivision or any part of the Common Areas, or for any other expense incurred or to be incurred as provided in this Declaration. Any amounts assessed under this paragraph must be assessed to the Owners in proportion to their respective Percentage Interests in the Common Areas. Notice in writing of the amount of such special assessments and time for payment thereof should be given promptly to the Owners and no payment will be due less than thirty (30) days after such notice has been given. A special assessment will bear interest at the rate of twelve percent (12 %) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date. Notwithstanding anything to the contrary in this Declaration, additions or capital improvements to the Common Areas of the Subdivision which cost no more than Five Thousand Dollars (\$5,000.00) may be authorized by the Board of Trustees alone. Additions or capital improvements, the cost of which will exceed such amount must, prior to being constructed, be authorized by the Majority of the Owners. Any addition or capital improvement that would materially alter the nature of the Subdivision must, regardless of its cost and prior to being constructed, be authorized by vote of Lot Owners in person or by proxy of not less than sixty-seven percent (67%) of the Percentage Interest at a meeting of the Association, special or annual, at which a quorum is present.

(e) Lien for Assessments. All sums assessed to any Lot under this Declaration, together with interest thereon as provided in this Declaration, will be secured by a lien on such Lot in favor of the Association. Such lien will be superior to all other liens and encumbrances on such Lot, except for: (i) valid tax and special assessment liens on the Lot in favor of any governmental assessing authority; and (ii) a lien for all sums unpaid on the first Mortgage, or on any Mortgage to Declarant, duly recorded in the Official Records of Cache County, Utah, including all unpaid obligatory advances to be made under such Mortgage and all amounts advanced under such Mortgage and secured by a lien thereof in accordance with the terms of such instrument. All other lienors acquiring liens will be deemed to consent that such liens are inferior to future liens for assessments as provided in this Declaration whether or not such consent be specifically set forth in the instruments creating such liens.

(i) To evidence a lien for sums assessed under this Declaration, the Board of Trustees may prepare a written notice of the lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Lot, and a description of the Lot. Such notice must be signed by the Board of Trustees and may be recorded in the Office of the County Recorder of

Cache County, Utah. No notice of lien may be recorded until there is a delinquency in payment of the assessment. The lien described in this paragraph may be foreclosed in the same manner in which trust deeds on real property may be foreclosed in Utah. In any such foreclosure, the Owner will be required to pay the costs and expenses of such proceedings, the costs and expenses of the filing of the notice of lien and all reasonable attorney's fees. All such costs, expenses, and fees will be secured by the lien being foreclosed. The Owner will also be required to pay to the Board of Trustees any assessments against the Lot that become due during the period of foreclosure.

Ent 928070 Bk 1430 Pg 803

(ii) After the institution of the foreclosure proceedings, the Lot Owner must pay a reasonable rental for his use of the Lot and the Board of Trustees will, without regard to the value of the Lot, be entitled to the appointment of a receiver to collect any rentals due from the Owner or any other person. The Board of Trustees will have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner hereof.

(iii) A release of notice of lien will be executed by the Board of Trustees and recorded in the Office of the County Recorder of Cache County, Utah, upon payment of all sums secured by a lien that has been made the subject of a recorded notice of lien. Any encumbrancer holding a lien on a Lot may pay, but will not be required to pay, any amounts secured by the lien created hereunder, and upon such payment such encumbrancer will be subrogated to all rights of the Board of Trustees with respect to such lien, including priority. The Board will report to any encumbrancer of a Lot any unpaid assessments remaining unpaid for thirty (30) days after the same shall become due, provided, however that such encumbrancer must first have furnished the Board of Trustees written notice of such encumbrance.

(f) Personal Obligation of Owner: The amount of any annual or special assessment against any Lot will be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation may be maintainable by the Board of Trustees without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiving the use and enjoyment of any Common Areas or by abandoning or selling his Lot.

(g) Statement of Account: Upon payment of a reasonable fee or such other amount as may in the future be allowed by law, and upon written request of any Owner or Mortgagee, prospective Mortgagee or prospective purchaser of a Lot, the Board of Trustees will issue a written statement setting forth: (i) the amount of the unpaid assessments, if any, with respect to such Lot; (ii) the amount of the current yearly assessment and the date that such assessment becomes or has become due; and (iii) credit for advanced payments or prepaid items, including, but not limited to, an Owner's share of prepaid insurance premiums. Such statement will be conclusive upon the Board of Trustees in favor of persons who rely thereon in good faith. Unless such request for a statement of account is complied with within twenty (20) days, all unpaid assessments that became due prior to the date of making such request will be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement. Where a prospective purchaser makes such a request, both the lien for such unpaid assessments and the

personal obligations of the purchaser will be released automatically if the statement is not furnished within the twenty (20) day period provided in this section and thereafter an additional written request is requested by such purchaser and is not complied with within ten (10) days, and the purchaser subsequently acquires the Lot.

(h) **Personal Liability of Purchaser for Assessment:** Subject to the provisions of subparagraph (g), a purchaser of a Lot will be jointly and severally liable with the seller for all unpaid assessments against the Lot up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such assessments.

(i) **No Assessments on Unsold Lots.** Notwithstanding anything to the contrary in this Section, no assessments may be levied against unsold Lots owned by Declarant in the Subdivision.

Ent 928070 Bk 1430 Pg 804

3.22 **Transition of Management.** Notwithstanding anything to the contrary contained in Section 3.19, Declarant may, at any time, relinquish its reserved right to select members of the Board of Trustees and to transfer the management of the Association to the Board of Trustees elected by Lot Owners. If and when the Declarant elects to do so, Declarant must notify Owners in writing of the effective date of such transfer ("Transfer Date") at least forty-five (45) days before the transfer. Thereupon, Lot Owners must call a meeting to elect the members of Board of Trustees to take office as of the Transfer Date. Declarant covenants to cooperate with Lot Owners in effecting orderly transition of management.

(a) Upon relinquishment of its reserved right to select members of the Board of Trustees, Declarant must relinquish all special rights, expressed or implied, through which the Declarant may directly or indirectly control, direct, modify or veto any action of the Association, its Board of Trustees, or a majority of Lot Owners, and control of the Association will pass to the Owners of Lots within the Subdivision not later than the earlier of the following:

(i) 120 days after the date by which 80% of the Lots have been conveyed to Lot purchasers; or

(ii) Two (2) years from the date of completion of all construction on all phases of the Subdivision.

(b) The requirements of this Section 3.22 will not affect Declarant's rights, as a Lot Owner, to exercise the votes allocated to Lots which Declarant owns.

3.23 **Insurance Coverage.**

(a) The Board of Trustees must secure, and at all times maintain a comprehensive policy of public liability insurance insuring the Association, the Board of Trustees, the Managing Agent, and the Lot Owners against any liability incident to ownership, use or operation of the Common Areas and public ways of the Subdivision or of any Lot that may arise among themselves, to the public or to any invitees or tenants of the Subdivision or of the Lot Owners. Limits of liability under such insurance will be not less than One Million Dollars (\$1,000,000.00) per occurrence, for personal injury and/or property damage. Such insurance policy must contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of a Lot Owner because of a negligent act of the Association or other Lot Owners. The scope of the coverage must include all other coverage in the kinds and amounts required by private institutional mortgage investors for similar projects in location, construction and use.

(b) The Board of Trustees must secure, and at all times maintain fidelity coverage to protect against dishonest acts on the part of Board of Trustees Members, Managing Agent, employees or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance must name the Association as the named insured and must be written in an amount sufficient to provide protection which in no event shall be less than one and one-half times the insured's estimated annual operating expenses and revenues. In connection with such coverage, an appropriate endorsement to the policy to cover any person who serves without compensation must be added if the policy would not otherwise cover volunteers.

Ent 928070 Bk 1430 Pg 805

(c) In addition to the insurance and bond coverage described above, the Board of Trustees must secure and at all times maintain insurance against such risks as are, or hereafter may be, customarily insured against in connection with all planned residential Lot Subdivisions similar to the Subdivision in construction, nature or use.

(d) Each insurance policy or fidelity bond maintained pursuant to this Declaration must be written by an insurance carrier that is licensed to transact business in the State of Utah. No such policy or fidelity bond may be maintained where: (1) under the terms of the carrier's charter, bylaws, bond or policy, contributions may be required from, or assessments may be made against, a Lot Owner, a lienholder, the Association, a Lot, the Common Areas, or the Subdivision; (2) by the terms of the carrier's charter, bylaws, bond or policy, loss payments are contingent upon action by the carrier's Board of Trustees, policy holders, or Members; (3) the bond or policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled from collecting insurance proceeds; or (4) the bond or policy provides that the insurance thereunder will be brought into contribution with insurance purchased by the individual Lot Owners or their lienholders. Each such fidelity bond or policy will provide that: (a) coverage may not be prejudiced by any act or neglect of the Lot Owners when such act or neglect is not within the control of the Association; (b) coverage may not be prejudiced by any failure by the Association to comply with any warranty or condition with regard to any portion of the Subdivision over which the Association has no control; and (c) coverage may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least thirty (30) days prior written notice to any and all insureds named therein, including any lienholder named as an insured. If due to changed circumstances, excessive cost, or any other reason, any of the insurance coverage required to be obtained and maintained under this Section 3.23 cannot reasonably be secured, with respect to such coverage the Association must obtain and maintain such substitute, different or other coverage as may be reasonable and prudent under the circumstances as they then exist. However, the Association may not self insure.

(e) The Board of Trustees has the authority to adjust losses regarding the Common Areas.

(f) Insurance secured and maintained by the Board of Trustees may not be brought into contribution with insurance held by individual Lot Owners or their Mortgagee.

(g) Each policy of insurance obtained by the Board of Trustees should provide:

(i) A waiver (if available) of the insurer's subrogation rights with respect to the Board of Trustees, the Managing Agent, the Lot Owners, and their respective servants, agents and guests;

(ii) That the policy cannot be canceled, suspended, or invalidated due to the conduct of any particular Lot Owner or Owners;

(iii) That the policy cannot be canceled, suspended, or invalidated due to the conduct of any member, officer or employee of the Board of Trustees or the Managing Agent without a prior written demand that the defect be cured; and

(iv) That any "no other insurance clause" therein does not apply with respect to insurance held individually by the Lot Owners.

(h) Every Lot Owner must obtain standard homeowner's insurance, at the Owner's own expense, covering damage to structures on the Lot and the negligent acts of the occupants of the Lot. Such homeowner's insurance must have the effect of decreasing the amount which may be realized under any policy maintained by the Board of Trustees.

(i) The Subdivision is not located in an area identified by the Secretary of Housing and Urban Subdivision as an area having specialized flood hazards. If at some future time the Subdivision should be declared to be in such flood area, a blanket policy of flood insurance on the Subdivision must be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Lots comprising the Subdivision or the maximum coverage limit available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the Federal Home Loan Mortgage Corporation at any given time.

Ord 928070 & 1430 Pg 806

3.24 Certain Provisions Applicable to Declarant. Notwithstanding any other provision of this Declaration, for so long as Declarant continues to own any Lots in the Subdivision, the following provisions will be in full force and effect:

a. Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Subdivision or the Declaration, except as specifically set forth in this Declaration or in any agreement for sale of a Lot, and no person may rely upon any warranty or representation not so specifically made.

b. No amendment may be made to this Declaration without the written consent of Declarant so long as Declarant retains the ownership of two (2) or more Lots; provided, however, that the obligation to acquire written consent of Declarant will cease on a date two (2) years from the date of completion of all construction on all phases of the Subdivision.

c. Unless the Declarant has completed and sold all the Lots in the Subdivision, neither the Lot Owners who have purchased Lots from the Declarant nor the Board of Trustees may interfere with the completion of improvements and sale of the remaining Lots in the Subdivision. The Declarant reserves the right to use any Lots owned by the Declarant as models, management offices, or sales offices until such times as Declarant conveys title thereto to Lot Owners. Declarant reserves the right to relocate same from time to time within the Subdivision; upon relocation or sale of a model, management office or sales office, the furnishings thereof may be removed. Declarant further reserves the right to maintain on the Subdivision such advertising signs which may be placed in any location on the Subdivision and may be relocated or removed all at the sole discretion of Declarant.

d. Declarant will have three votes for each Lot Declarant owns (as opposed to one vote per Lot for each of the other Lot Owners) on any matter requiring a vote of the Lot Owners.

3.25 Amendment. For the first thirty years after the recording of this Declaration, the vote of at least sixty-seven percent (67%) of the Percentage Interest of the Lot Owners in person or represented by proxy at a meeting of the Association at which a quorum is present will be required to amend the Declaration, Bylaws, Plat, or other enabling documentation for the Subdivision. Any such amendment so authorized by the Lot Owners will be accomplished through the recordation of an instrument executed by the Board of Trustees. In such instrument, the Board of Trustees must certify that the vote of the Lot Owners as required by this Section for amendment has been obtained.

Ent 928070 Bk 1430 Pg 807

3.26 Consent Equivalent to Vote. In those cases in which this Declaration requires the vote of a stated percentage of the Subdivision's ownership interest for the authorization or approval of a transaction, such requirements may be fully satisfied by obtaining with or without a meeting, consents in writing to such transaction from Lot Owners who collectively hold at least the necessary percentage of ownership interest.

3.27 Eminent Domain. If all or part of the Common Areas is taken, injured, or destroyed as a result of the exercise of eminent domain, each Lot Owner will be entitled to notice of the claim of eminent domain and to participate in the eminent domain proceedings, but in any proceeding for the determination of damages, such damages will be determined for such taking, injury, or destruction as a whole and not for each Lot Owner's individual interest therein. After such determination, each Lot Owner will be entitled to a share in the damages in the same portion as the Owner's Percentage Interest in the Common Areas.

3.28 Service of Process. Neil Anderson, whose address is 995 South Main, Logan, Utah 84321, is the person to receive service of process on behalf of the Declarant. The Board of Trustees will, however, have the right to appoint a successor substitute process agent. Such successors or substitute agent and his or her address will be specified by an appropriate instrument filed in the Office of the County Recorder of Cache County, Utah.

3.29 General Protections. Notwithstanding anything to the contrary in this Declaration:

a. An adequate reserve fund for repair, maintenance, and replacement of those elements of the Common Areas that must be replaced on a periodic basis must be established and funded as part of the annual assessments as provided in Section 3.21, rather than by special assessments.

b. Any lease of a Lot must be in writing and must provide that the terms of the lease is subject in all respects to provisions of the Declaration and Bylaws and that any failure by the lessee to comply with the terms of such documents will be a default under the lease. A Lessee and a Renter will be treated the same. No Lot Owner may lease a Lot for an initial term of less than thirty days. No Lot Owner may lease less than the entire Lot.

c. The consent of Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated will be required to materially amend any provisions of the Declaration or Bylaws, or to add any material provisions thereto, which establish, provide for, govern or regulate any of the following:

- (i) Voting;
- (ii) Assessments, assessment liens or subordination of such liens;
- (ii) Reserves for maintenance, repair and replacement of the Common Areas;
- (iv) Insurance or fidelity bonds;
- (v) Rights of use of the Common Areas;
- (ii) Responsibility for maintenance and repair of the several portions of the Subdivision;
- (vii) Expansion or contraction of the Property (except for prospective expansion of the Property provided in this Declaration);
- (viii) Boundaries of any Lot;
- (ix) The interests in the Common Areas;
- (x) Convertibility of Lots into Common Areas or of Common Areas into Lots;
- (xi) Leasing of Lots; or
- (ii) Imposition of any right of first refusal or similar restriction on the right of a Lot Owner to sell, transfer or otherwise convey his or her Lot.

Ent 928070 Bk 1430 Pg 808

d. The Board of Trustees, on behalf of the Association, must make available to all Lot Owners, lenders and the holders, insured and guarantors of the first mortgage on any Lot, current copies of the Declaration, Bylaws and other rules governing the Subdivision, and other books, records, and financial statements of the Association. The Board of Trustees must also make available to prospective purchasers current copies of the Declaration, Bylaws, other rules governing the Subdivision, and the Association's most recent annual audited financial statement, if such is prepared. "Available" as used in this paragraph means available for inspection upon request, during normal business hours or under other reasonable circumstances.

3.30 Duty of Owner to Pay Taxes on Lot. It is understood that each Lot (and its Percentage Interest in the Common Areas) in the Subdivision is subject to a separate assessment and taxation by each taxing authority and special district(s) for all types of taxes and assessments authorized by law and that, as a result, no taxes will be assessed or levied against the Subdivision as such, except for certain personal properties of the Subdivision. Accordingly, each Lot Owner will pay and discharge any and all taxes and assessments that may be assessed against his or her Lot.

3.31 Covenants to Run With Land: Compliance. This Declaration and all its provisions constitute covenants to run with the land or equitable servitudes, as the case may be, and are binding upon and inure to the benefit of the Declarant and all parties who hereafter acquire any interest in a Lot or in the Subdivision, and their respective grantees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Lot, their family

members, guests, invitees and other persons must comply with, and all interests in all Lots will be subject to, the terms of this Declaration, the Bylaws, and the provisions of any Rules and Regulations, agreements, instrument, and determinations contemplated by this Declaration, and failure to comply will be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Board of Trustees on behalf of all Lot Owners, or, in a proper case, by an aggrieved Lot Owner. By acquiring any interest in a Lot or in the Subdivision, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

Ent 928070 Bk 1430 Pg 809

3.32 Conveyancing of Lot: Leases.

(a) Any Lot Owner who sells, leases, or otherwise disposes of his Lot must submit to the Board of Trustees pertinent information regarding the transferee or new occupant within one week of any transfer of title or possession on a form furnished by the Board of Trustees.

(b) Before selling, leasing or otherwise disposing of a Lot, an Owner must provide a copy of this Declaration, the Bylaws and the current Rules and Regulations to the person(s) proposing to purchase, lease or otherwise assume control of a Lot.

(c) Any deed, lease, mortgage, deed of trust, purchase contract or other instrument conveying or encumbering title to a Lot must describe the interest or estate involved substantially as follows:

Lot No. \_\_\_\_\_ as identified in the Stonebridge Subdivision, recorded in the office of the Cache County Recorder as Entry \_\_\_\_\_, Map Filing No. \_\_\_\_\_, SUBJECT TO the Declaration of Protective Easements, Covenants, Conditions and Restrictions of Stonebridge Subdivision recorded in the office of the Cache County Recorder as Entry \_\_\_\_\_, Book \_\_\_\_\_, at Page \_\_\_\_\_ (as such Declaration may have been amended or supplemented), TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas described, and as provided for, in such Declaration of Protective Easements, Covenants, Conditions and Restrictions (as such Declaration may have been amended or supplemented).

(d) Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration will be binding upon and inure to the benefit of any party who acquires any interest in a Lot.

**ARTICLE IV – ARCHITECTURAL REVIEW**

4.01 Original Construction. Declarant intends to develop the Lots and construct houses in accordance with applicable municipal approvals, planning and zoning approvals and permits, Subdivision agreements, and construction plans and specifications (together called "Design Guidelines"). All original construction by Declarant under the Design Guidelines, as they may be amended from time to time, are hereby approved.

4.02 Architectural Review Committee. The Board of Trustees must appoint a three-member Architectural Review Committee (as used in this Article IV, the "Committee"), the function of which will be to ensure that all improvements and landscaping within the Subdivision harmonize with existing surroundings and structures. The Committee need not be composed of Owners. If such a Committee is not appointed, the Board of Trustees itself, or certain appointed members of the Board, will perform the duties required of the Committee.

4.03 Submission to Committee. Except for structures constructed, erected or installed by Declarant, no house or other permanent structure on a Lot may be constructed or maintained, and no alteration, repainting, or refurbishing of the exterior of any house or any part of a house (except glass surfaces) may be performed, unless complete plans and specifications therefor have first been submitted to and approved by the Committee.

In deciding whether to approve or disapprove plans and specifications submitted to it, the Committee must use its best judgment to insure that all improvements, construction, landscaping, and alterations on Lots within the Subdivision conform to and harmonize with the Design Guidelines and with existing surroundings and structures. Any structure constructed on any Lot in replacement of the structure previously located on that Lot should be constructed in substantially the same configuration, location and architectural style and be approximately the same size as the prior structure; and, if the plans and specifications for the replacement structure meet such criteria, the Committee must approve the same.

If the Committee fails to take any action within the specified periods, it shall be deemed to have approved the material submitted except in those respects that such material is not in conformity with the provisions of this Declaration, as to which respects it shall be deemed disapproved.

4.06 Construction. Once begun, any improvements, construction, landscaping, or alterations approved by the Committee must be diligently prosecuted to completion. If reasonably necessary to enable such improvement, construction, landscaping, or alteration, the person or persons carrying out the same may be entitled to temporarily use and occupy portions of the Common Areas in the vicinity of the activity provided that they promptly restore such areas to their prior condition when the use of the Common Areas is no longer required.

4.07 Liability for Damages. Neither the Committee nor any member of the Committee will be held liable for damages by reason of any action, inaction, approval, or disapproval taken or given without malice by such member or the Committee with respect to any request made under this Article IV.

4.08 Declarant's Obligations. Declarant hereby covenants in favor of each Owner (a) that all Structures to be erected by it and all improvements of the Common Areas to be

accomplished by it in the Subdivision will be architecturally compatible with respect to one another; and (b) that on the date on which this Declaration is recorded in the Public Records, all Lots and Common Areas of the Subdivision will be located approximately in the locations shown on the Plat.

at the pleasure of the Board of Trustees. The chair of the Board of Trustees, or in the chair's absence, the vice chair, will preside at all meetings of the Board of Trustees and at all Home Owners Association meetings. The secretary will take and keep minutes of all meetings. The Secretary will perform such other services as the Board of Trustees may impose. The treasurer will have the custody and control of the funds of the Board of Trustees, subject to the action of the Board of Trustees, and must, when requested by the chair to do so, report the state of finances of the Board of Trustees at each annual Home Owners Association meeting and at any Board of Trustees meeting. The treasurer may perform such other services as the Board of Trustees may require. One person may hold office as secretary and treasurer.

Section 1.5 Regular Meetings. A regular meeting of the Board of Trustees must be held immediately after the adjournment of each annual Home Owners Association meeting at the place at which such Home Owners Association meeting was held. The chair of the Board of Trustees may appoint persons to fill vacancies on each of special committees occasioned by death, resignation, removal or inability to act for any extended period of time.

Section 1.9 Additional Facilities. The Board of Trustees has the authority to provide such facilities, in addition to those for which provision has already been made, as it may deem to be in the interest of the members, for conducting the business of the Board of Trustees.

## ARTICLE II – MEETING OF HOMEOWNERS ASSOCIATION

Section 2.1 Annual Meeting. The annual meeting of the Home Owners Association will be held at 7:00 o'clock p.m. on the third Thursday of January each year, at such place as set forth in the notice of meeting or in a duly executed waiver of notice; provided, however, that whenever such date falls upon a legal holiday, the meeting will be held on the next succeeding business day, and provided, further, that the Board of Trustees may, by resolution, fix the date of the annual meeting at such other date as it deems appropriate. At such meeting the Home Owners will elect members of the Board of Trustees for two (2) year terms, which terms will commence as of February 1; provided, however, that at the first election one (1) of the three Board of Trustees members should be elected for terms of not more than one (1) year, which terms will commence upon election and expire on the next February 1 after such election, and two (2) of the Board of Trustees members will be elected for not more than two (2) years, which terms will commence upon election and expire on the second February 1 after such election; provided, further, that the term of any duly elected appointed Board of Trustees member will not expire until his or her successor is elected and qualifies.

Ent 928070 Bk 1430 Pg 816

Section 2.2 Voting. At any meeting of the Home Owners Association, Home Owners will be entitled to cast one vote for each Lot owned. However, as provided in the Declaration, the Declarant will have three votes for each Lot as long as Declarant owns Lots in the Subdivision.

(a) Any Home Owner may attend and vote at such meeting in person, or by an agent duly appointed by an instrument in writing signed by the Home Owner and filed with the Board of Trustees or the Managing Agent. Any designation of an agent to act for a Home Owner may be revoked at any time by written notice to the Board of Trustees or Managing Agent, and will be deemed revoked when the Board of Trustees or the Managing Agent receives actual notice of the death or judicially declared incompetence of such Owner or of the conveyance of such Owner of his or her Lot. Where there is more than one record Owner, any or all of such persons may attend any meeting of the Home Owners Association, but it will be necessary for those present to act unanimously in order to cast the votes to which they are entitled. Any designation of an agent to act for such persons must be signed by all such persons. Declarant will be entitled to vote with respect to any Lot owned by Declarant.

(b) If a notice of default is recorded by any mortgagee who holds a mortgage which is a first lien on a Lot against the Owner of the Lot covered by the mortgage, then until the default is cured, the right of the Owner of such Lot to vote shall be transferred to the mortgagee recording the notice of default. Mortgagee shall mean any creditor that holds a first note, a Trust Deed or a Uniform Real Estate Contract on the Lot.

Section 2.3 Meeting. The presence at any Home Owners Association meeting having a majority of the total votes constitutes a quorum. If a quorum is not present at any meeting, the Owners present, though less than a quorum, may adjourn the meeting to a later date and give notice of such meeting to all the Owners in accordance with the provisions of Section 4, and at that meeting the presence of Owners holding in excess of thirty percent (30%) of the total votes

constitutes a quorum for the transaction of business; but if a quorum is not present at that meeting, the Owners present though less than a quorum, may give notice to all the Owners in accordance with Section 3.2 of these Bylaws of an adjourned meeting, and at that meeting whatever owners are present shall constitute a quorum. Unless otherwise expressly provided in this Declaration, any action may be taken at any meeting of the Owners upon the affirmative vote of a majority of the voting power of the Owners present and voting, provided that a quorum is present as provided for above.

Ent 928070 Bk 1430 Pg 817

Section 2.4 Special Meeting. Special meetings of the Owners may be called at any time for the purpose of considering matters which, by the terms of the Declaration, require the approval of all or some of the Owners, or for any other reasonable purpose.

Section 2.5 Calls and Notices of Meetings. The calls and notices of all meetings of the Home Owners must conform to the provisions of Article III of these Bylaws.

Section 2.6 Waiver of Irregularities. All inaccuracies and/or irregularities in calls, notices of meeting and in the matter of voting, and method of ascertaining those present, will be deemed waived if no objection is made at the meeting.

### ARTICLE III – CALLS AND NOTICES OF MEETINGS

Section 3.1 Annual Meeting of Home Owners. At least five (5) days (inclusive of the date of meeting) before the date of any annual meeting of the Home Owners, the secretary must cause a written notice setting forth the time and place to be delivered personally or deposited in the mail, with postage prepaid, addressed to each Home Owner at his or her last post office address as it then appears on the records of the Association.

Section 3.2 Special Meetings of Home Owners. Special meetings of the Home Owners may be called by the Board of Trustees, or by one-third (1/3) in number of the Home Owners. Special meetings may be called by:

- i) Written notice, signed by a majority of the Board of Trustees, and notice of such meeting will be delivered to each Home Owner in writing at least 48 hours before the time fixed for the meeting; or
- ii) Written notice, signed by Owners having one-third (1/3) of the total votes in the Association and delivered to each Home Owner not less than five (5) days before the date fixed for such special meeting.

(a) All notices provided under this Section 3.2 must advise each Home Owner as to the time, place and general purpose of the meeting and must be delivered personally, or mailed, postage prepaid, to each Home Owner at the Owner's last post office address as it appears on the books of the Board of Trustees.

(b) Whenever all of the members of the Association meet in person, such meeting shall be valid for all purposes without call or notice, or waiver of call or notice. No call or notice of any meeting of members will be necessary if waiver of call and notice is signed by all of the members of the Association who are present.

## ARTICLE IV – RULES AND REGULATIONS

The Board of Trustees has the power to adopt and establish by resolution such building, management, and operational rules as the Board of Trustees may deem necessary for the maintenance, operation, management and control of the Stonebridge Subdivision, and the Board of Trustees may, from time to time by resolution, alter, amend and repeal such rules. When a copy of the rules has been furnished to the Owners, they will be taken to be a part of these Bylaws. Home Owners must at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules will apply and be binding upon all Home Owners and/or occupants of the Subdivision. Rules and regulations may be altered or amended or abolished at a meeting of Home Owners properly called and properly voted.

Ent 928070 Bk 1430 Pg 818

## ARTICLE V – PAYMENT OF EXPENSES

Section 5.1 Assessments. Each Home Owner must pay the Association the Owner's pro-rata portion of the cash requirements deemed necessary by the Board of Trustees to manage and operate the Stonebridge Subdivision upon the terms, at the times, and in the manner provided in these Bylaws or in the Declaration without any deduction on account of any setoff or claim which the Owner may have against the Association or the Board of Trustees, and if the Owner fails to pay any installment within one (1) month from the time when the same becomes due, the Owner must pay interest thereon at the rate of twelve percent (12%) per annum from the date when such installment becomes due to the date of the payment thereof.

(a) The cash requirements above referred to for each year, or portion of the year, are the aggregate amount as the Board of Trustees from time to time determines, in its judgment, is to be paid by all the Home Owners of Stonebridge Subdivision then in existence to enable the Board of Trustees to pay all estimated expenses and outlays of the Association to the close of each year, growing out of or connected with the maintenance and operation of such land, buildings, and improvements. This sum may include, among other things, the cost of management, special assessments, fire, casualty, and public liability insurance premiums, common lighting and heating, and pool expenses, landscaping and care of grounds, repairs and renovations to common areas and facilities, garbage collections, wages, water charges, sewer fees, legal and accounting fees, management fees, expenses and liabilities incurred by the Board of Trustees under or by reason of the Declaration and these Bylaws, the payment of any deficit remaining from a previous period, the creation of a reasonable contingency or other reserve or surplus fund, as well as all other costs and expenses relating to Stonebridge Subdivision. The Board of Trustees may, from time to time, up to the close of the year for which such cash requirements have been so fixed or determined, increase or diminish the amount previously fixed or determined for such year. The Board of Trustees may include, in the cash requirements for any year, any liabilities or items of expense which accrued or became payable in a previous year, or which might have been included in the case requirements for a previous year, but were not included therein; and also any sums that the Board of Trustees may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or which thereafter accrue although not payable in that year.

(b) The pro-rata portion payable by the Home Owner in and for each year or portion of year will be a sum within the limits and on the conditions provided in these Bylaws bearing to the aggregate amount of cash requirements for such year, or portion of year, determined as set forth above, the ratio of the Owner's Lot to the total of all Lots, and such assessments, together with any additional sums accruing under the Declaration and these Bylaws must be payable yearly in advance, or in such payments and installments as required by the Board of Trustees, and at such times as provided by the Board of Trustees.

(c) The Board of Trustees have discretionary powers to prescribe the manner of maintaining and operating Stonebridge Subdivision and to determine the cash requirements of the Board of Trustees to be paid as described above by the Home Owners under the Declaration and these Bylaws. Every reasonable determination by the Board of Trustees, within the bounds of the Declaration and these Bylaws, will, as against the Owner, be deemed necessary and properly made for such purpose.

(d) First mortgagees of all Lots have the right to examine the books and records of the Home Owners Association.

Ent 928070 Bk 1430 Pg 819

(e) If a Home Owner at any time lets or sublets the Lot and defaults for a period of one (1) month in the payment of any management assessments, the Board of Trustees may, at its option and so long as such default continues, demand and receive from any tenant or subtenant of the Owner occupying the Lot the rent due or becoming due from such tenant or subtenant to the Owner up to an amount sufficient to pay all sums due from the Owner to the Board of Trustees, and any such payments of such rent to the Board of Trustees will be sufficient payment and discharge of the tenant or sub-tenant as between the tenant or subtenant and the Owner to the extent of the amount so paid. At least five (5) days before demanding payment from a tenant or subtenant of a Lot under this Subsection 5.1(e), the Board of Trustees must provide written notice to the Lot Owner, at the address on record with the Board of Trustees, of its intent to make such a demand upon the tenant or subtenant.

Section 5.2 No Waiver. The omission of the Board of Trustees, before the expiration of any year, to timely fix the management assessments for that or the next year, may not be deemed a waiver or modification in any respect of the covenants, conditions, or restrictions of the Declaration and these Bylaws, or a release of the owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year. The assessment fixed for the preceding year will continue until a new assessment is fixed.

## ARTICLE VI – RIGHT OF ENTRY

Section 6.1 By Board of Trustees. The Board of Trustees and its duly authorized agents have the right to enter any and all of the Lots in the Subdivision in case of an emergency originating in or threatening such Lot or any other part of the Subdivision, whether the Owner or occupant thereof is present at the time or not. The Board of Trustees and its duly authorized agents also have the right to enter any and all of the Lots at all reasonable times as required for the purpose of making necessary repairs upon the Common Areas and facilities of the Subdivision.

Section 6.2 By Home Owner. All Home Owners and their duly authorized agents and representatives have the right to enter any of the Lots contained within the Subdivision for the purpose of performing emergency installations, alterations, or repairs to the mechanical or electrical devices or installations located on those Lots; provided, however, such emergency installations, alterations, or repairs are necessary to prevent damage or threatened damage to other Lots in the Subdivision; and provided, further, that the Home Owner affected by such entry must first be notified, if available and if time permits.

Ent 928070 Bk 1430 Pg 820

**ARTICLE VII – REIMBURSEMENT FOR DAMAGES**

Each Home Owner must promptly perform or cause to be performed all maintenance and repair work within any of the Lots owned by him which, if omitted, will adversely affect the building in which the Lot is located in its entirety, or any part of the Subdivision, and will be liable in damages for any failure on the Owner's part to do so. Each Owner must also reimburse the Board of Trustees for the full value of any repairs or replacements to the Common Areas and facilities made necessary through the negligence or fault, as established by the procedure set out in Section 3.12 of the Declaration, of the Home Owner or the Home Owner's tenants.

**ARTICLE VIII – AMENDMENTS**

These Bylaws may be altered, amended, or repealed by the affirmative vote of fifty-one percent (51%) of the Percentage Interest of the Home Owners in person or represented by proxy at any regular meeting of such Home Owners, or at any special meeting if notice of the proposed alteration or repeal be contained in the notice of such special meeting.
